The Vistani have long been masters of fortune telling. In the hands of a Vistani seer, tarokka cards can tell tales of the future and provide answers to many a dark and mysterious question.

"Many doors will be opened, many secrets will be revealed. Don’t ask me how or why, just follow the message of the cards."
— Rudolph van Richten

Includes 54 Tarokka cards, handy for a trek through Barovia, as well as Prophet’s Gambit, a card game for 3-5 players.
